

Promotion of the your clean-up event

Posters

Download our [poster](#) and fill in the details of your event and put them up in local shops, cafes and around the community.

Local Community Groups

You can contact local groups or sports clubs and ask them to promote your clean-up event. There might be local community or parish newsletters that also can be used to promote the clean-up.

Social Media

Social media can be a great way of promoting your clean-up event. Different social media platforms are good for different objectives. You can use Facebook and create the event page or other platforms like Twitter or Instagram. You could engage with a local business or politician who might have a big social media presence on each of the platforms to promote your event. That will enable you to have a wider reach.

Sample social media post could be something like below:
*Join Group Name in a clean-up of Location on the Date and Time and the meeting is point Area. All kit will be provided.
[#dublincommunitycleanup](#)*

As part of the [#dublincommunitycleanup](#) we are undertaking a clean-up of Location on the Date and Time. All welcome and kit will be provided. The meeting point is Location.

You can also download and use our social media images for [Twitter](#) and [Facebook](#). Ensure to take pictures during the event and share them on social media after with the [#dublincommunitycleanup](#) to promote all the groups great work.
